Verbatim announces latest addition to innovative line of accessories – 6-Button and 8-Button Deluxe Mice

Charlotte, NC, January 12, 2015 – Verbatim, the global leader in data storage technology including portable hard drives, USB flash drives, CDs, Blu-ray discs and memory cards, is pleased to introduce its latest stylish andinnovative wireless accessories – Deluxe Mice. Available in both 6-Button and 8-Button designs, these mice take navigation and computing efficiency to a new level.

The Verbatim 8-Button Deluxe Mouse

"These Deluxe mice are a prime example of Verbatim's commitment to providing consumers with accessories that combine style, reliability, functionality and comfort for the ultimate computing experience," said Ron Hanafin, Verbatim Product Manager, Accessories and Peripherals.

The 6-Button and 8-Button Deluxe Mice offer multi-button functionality, for enhanced in-browser performance, and the ability to navigate between applications with ease. Button functionality includes:

- Standard Left/Right Button
- Scroll wheel: scroll within web browser or documents – no need to move mouse
- DPI button controls mouse sensitivity*
- Back/Forward buttons allow you to easily navigate between pages in your browser
- Zoom*
- Windows 8 Home

* Only available on 8-Button Deluxe Mouse.

The Verbatim 6-Button Deluxe Mouse

The Verbatim 6-Button and 8-Button Deluxe Mice feature Blue LED technology, allowing users to navigate on virtually any surface, from a glass tabletop to granite countertop. 2.4GHz wireless performance allows for lag-free cursor movement. Each mouse connects to the computer via a nano receiver, small enough to plug in and leaveconnected – great for computing on the go. When not in use, the receiver stores conveniently inside the battery compartment.

The 6-Button and 8-Button Deluxe Mice and all Verbatim mice are backed by a 1-Year Limited Warranty and Verbatim's more than 40-year history of quality and reliability. The 6-Button and 8-Button Deluxe Mice will be available March 2015.
